

Experience To Grow On

Agrilympics

CLARK AGRI SERVICE

Enter your corn or soybean plot and go for the gold!
CLARK AGRI SERVICE exclusive crop competition.

COMPETITION RULES

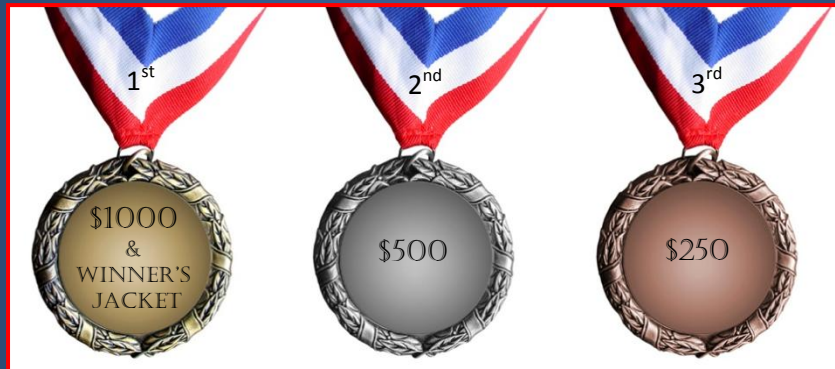

Minimum field size for the plot is 10 acres.

Harvest the best acre from your field. Yields will be verified by **CLARK AGRI SERVICE** staff using weigh wagons or calibrated yield monitors.

Fields must be entered into the competition before May 1st, 2010.

Entry fee is \$10.00 per plot. Growers may enter more than one plot providing an entry fee is paid for each plot

Use any or all management tools available to you to maximize your yield, provided they are registered for crop use with Agriculture Canada. **Irrigation is not allowed for this competition.**
